Customer Benefits

Budget Truck Rental has one of the newest and most well-maintained truck rental fleets in the world. The average age of Budget's trucks is 2 to 2½ years old. Budget's late-model fleet helps ensure every customer has a mechanically-sound and worry-free rental experience.

A supply calculator on Budget Truck's Web site – Budgettruck.com -- helps renters estimate the amount of supplies they will need for their move. While on rent, all trucks are covered by Budget Truck Rental's roadside assistance provider, GE Capital. A Quick Quote feature on Budget.com allows renters to receive a quote with just a few clicks.

Fun Facts

Budget is the only vehicle rental company to operate car and truck rental under one name worldwide.

In the famed presidential election of 2000, a Ryder TRS truck made history by transporting Florida's presidential election ballots from Palm Beach to Tallahassee to decide the election. The trip made by the Ryder TRS truck resulted in tremendous press coverage throughout the nation.

Budget sold the ballot-carrying Ryder TRS truck on Yahoo! Auctions. The proceeds -- \$67,100 -- were donated to the American Red Cross.

In 2004 Budget Truck Rental was voted best place to work for commuters by the Denver Regional Council of Governments (DRCOG).
